February 2019

Rapid Flu and Strep Testing Now Available at Sand Run Pharmacy!

How can I be tested?

If you think that you might have the flu or strep throat, come to the pharmacy counter and we can help you get tested. Once we have the results, we can send them to your physician so that you can feel better faster!

How do we test you for the flu or strep throat?

Once all the necessary paperwork is completed, we will be able to swab your nose or throat and test it in our BD Veritor Plus Analyzer. Test results will take less than 15 minutes.

What are the benefits of getting tested at Sand Run Pharmacy?

- No long lines to wait in
- Results in less than 15 minutes
- Results can be sent to your doctor
- Flat rate of \$35 per test
- Friendly and caring staff to help with the testing process and recommendations for over-the-counter products.

Strep test results in less than 15 minutes!

How do I know if I have the flu or just another cold?

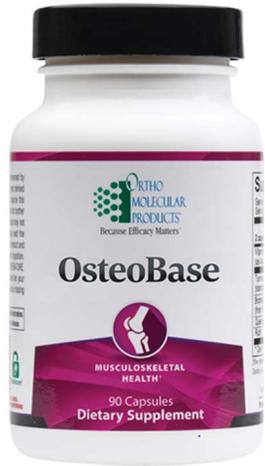

Symptoms of the flu can be very similar to the common cold. However, there are some key things that can help you determine if you might have the flu. Symptoms of the flu will occur abruptly with fever, aches, headache, chills, cough, and feeling tired or weak.

How do I know if I have strep throat?

Symptoms of strep throat include: sore throat that starts quickly; pain with swallowing; red and swollen tonsils (sometimes with white patches); and swollen lymph nodes in the front of your neck. However, if you have a cough, runny nose, hoarseness, or conjunctivitis (pink eye) you might not have strep throat.

What is OsteoBase?

Osteobase is a supplement that is manufactured by Ortho Molecular Products that contains essential vitamins and minerals to promote optimum bone health.

What is special about this product?

This product is great for people living in Northeast Ohio because it not only contains calcium and other minerals great for bone health, but also contains vitamin D. We usually get vitamin D from the sun and the food we eat. However, with all of this snowy weather, it can be difficult to get the right amount of vitamin D that you need to keep your bones healthy! No more need for multiple bottles of supplements taking up space on your shelves at home! Osteobase has what you need packed into one capsule for your convenience!

This product does NOT contain gluten, yeast, or artificial colors and flavors.

Ask one of our pharmacists about OsteoBase!
